Nourse's Moline Nursery

FOR SPRING OF 1871.

Lynde St.,—Brow of Bluff,

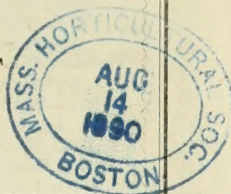

MOLINE, ILLINOIS.

This Nursery is situated on high, rolling, clay timber land, and the proprietor believes that trees raised in such soil are far superior for transplanting to those grown on the prairie. He cultivates mostly the hardy varieties, well proved in this section. Trees and plants are well grown, well ripened and in fine condition and sure to give satisfaction.

Packing carefully done and at a very moderate charge. Delivered, free of charge, to Express Office, R. R. Depot, or Steamboat Landing and there he considers his responsibility to end. If loss occurs, apply to the public carriers.

TERMS, CASH. Remittances best made by Draft or Post Office Money Order. Shipping facilities of the very best.

D. WILMOT SCOTT, PRINTER, GALENA, ILLS.
